“Complying with U.S. Export Controls”

Tuesday, August 15 and Wednesday, August 16, 2023

Milpitas, California

This two-day program is led by BIS's professional counselling staff and provides an in-depth examination of the Export Administration Regulations (EAR). The program will cover the information exporters need to know to comply with U.S. export control requirements under these regulations. We will focus on what items and activities are subject to the EAR; steps to take to determine the export licensing requirements for your item; how to determine your export control classification number (ECCN); when you can export or reexport without applying for a license; Automated Export System (AES) procedures and requirements; sanctions programs; Export Compliance Program (ECP) concepts; and real-life examples in applying this information. Presenters will conduct a number of "hands-on" exercises that will prepare you to apply the regulations to your own company's export activities. This one-of-a-kind program is well suited for those who need a comprehensive understanding of their obligations under the EAR.

About the Instructors: The instructors are experienced export policy specialists, and enforcement personnel from BIS's field offices. This seminar will also feature guest speakers from the U.S. Census Bureau and the Department of Treasury, Office of Foreign Assets Control. The instructors will be available during the seminar to answer your questions.

Location/Time: The program will be held at the Sonesta San Jose-Milpitas Hotel, 777 Bellew Drive, Milpitas, CA 95035. Registration will begin at 7:30am on Tuesday, August 15, 2023. The program starts at 8:30am and ends at 4:30pm on both days.

Registration: The seminar registration fee is \$695 per person. The fee includes continental breakfast, coffee breaks, lunch on both full days, and seminar materials. The last day to register for the seminar is Friday, August 4, 2023.
